Profile

As an electrical professional, I have developed a diverse range of skills and expertise that would make me a valuable addition to any team. With a passion for electrical engineering and a commitment to staying up-to-date with the latest technologies, I am confident in my ability to tackle any challenge.

Experience	<div><div>Vestas in Belgium</div><div>Field Service Technician (Electrical / Mechanical)</div><div>May 2023 - Present</div><div>Full-time</div></div>
	<div><div>AGP eGlass in Evergem, Belgium</div><div>Industrial Electrician</div><div>Mar 2023 - May 2023</div><div>Full-time</div></div> <div>Glass Processing Lines, Troubleshooting machinery problems electrical and mechanical, PLC + Robotic arms</div>
	<div><div>SOCEA nv in Oelegem, Belgium</div><div>Industrial Electrician</div><div>May 2019 - Mar 2023</div><div>Full-time</div></div> <div>Troubleshooting machinery problems, installing cable ducts, passing cables, connecting electrical boards, and replacing basic mechanical parts.</div>
	<div><div>MEDREPAIR in Beveren, Belgium</div><div>Cold technician</div><div>July 2018 - May 2019</div><div>Full-time</div></div> <div>Repairing and maintaining refrigerated containers, performing "PTI" inspections, welding copper, and replacing motors and sensors.</div>
	<div><div>SERSAN in Lourosa, Portugal</div><div>Industrial Electrician</div><div>Feb 2015 - July 2018</div><div>Full-time</div></div> <div>Repairing industrial machines (electrical and electromechanical), elaboration and electrification of electrical boards, electrical assembly of machines and structures of transport of cork and beginner of programming and automation of PLC (OMRON).</div>
	<div><div>Electro Oliveira in Milheirós de Poiares, Portugal</div><div>Electronic, automation and maintenance (1500 hours)</div><div>2012 - 2015</div><div>Internship</div></div> <div>Repairing and maintaining household appliances.</div>

Education

Basic Technical - Mechanical RelyOn Nutec in Amsterdam, Nederland	19 June 2023 - 22 June 2023
Basic Technical - Hydraulic RelyOn Nutec in Amsterdam, Nederland	19 June 2023 - 22 June 2023
Basic Technical - Electrical RelyOn Nutec in Amsterdam, Nederland	19 June 2023 - 22 June 2023
VOL-VCA PBNA in Bergen op Zoom, Netherlands	17 May 2023
BA4 Vestas in Arnhem, Netherlands	11 May 2023 - 12 May 2023
First Aid - Fire Awareness - Working at Heights - Manual Handling (GWO) RelyOn Nutec in Amsterdam, Nederland	8 May 2023 - 10 May 2023
Driving course of electric forklifts, combustion and gas Cincork in Santa Maria de Lamas, Portugal	7 Mar 2018 - 3 May 2018
Electronic, automation and maintenance +1500 hours InternshipElectronic CFPIC in São João da Madeira, Portugal	2012 - 16 Jan 2015
Driving license AM / B / B1 Boavista in Santa Maria da Feira, Portugal	4 Dec 2015
High School, Course of Sciences and Technologies Santa Maria da Feira in Santa Maria da Feira, Portugal	2010 - 2012

Projects

Home Assistant My house is powered by a Raspberry Pi 4 and is automated using Home Assistant. With this setup, I have the ability to control various aspects such as lights, sensors, and robots, both internally (without an internet connection) and externally (via VPN "Tailscale" and IP masked by "Duck DNS").	7 Feb 2021 - Present
Website This website was created with the aim of promoting information about my professional career, in a way that is accessible to companies and interested people. The purpose of this website is to showcase my professional career and make information easily accessible to companies and individuals who are interested in learning more about me.	11 Feb 2022 - Present

Skills

Designing and analyzing systems

Experience in designing electrical systems for a variety of applications, with proficiency in software tools such as Visio and AutoCAD to analyze and optimize these systems.

Troubleshooting and problem-solving

Strong analytical skills to quickly identify issues with electrical systems and develop effective solutions to resolve them.

Testing and Inspection

Background in testing and inspecting electrical systems to ensure compliance and functionality, with the ability to provide detailed reports on findings.

Project management

Successful management of numerous electrical projects from start to finish, delivering high-quality results within budget and on time.

Safety and compliance

High focus on safety and compliance in all aspects of electrical work.

Communication and collaboration

Excellent communication and collaboration skills, enabling successful outcomes through teamwork.
